

determine the quality of the plan of operation for the project, including the extent to which—

(1) The plan of management will be effective, will ensure proper and efficient administration of the program, and includes timelines that show starting and ending dates for all tasks;

(2) The specific procedures proposed will accomplish the project's objectives, including how the procedures for selecting the business-labor-education technical committees will ensure that the members are knowledgeable about the occupations to be studied and include representatives of business, labor, and education;

(3) The applicant plans to organize and operate the business-labor-education technical committees effectively in developing national standards for competencies in industries and trades;

(4) The development of proposed competencies for major divisions or specialty areas within occupations will be coordinated with education and industrial trade associations, labor organizations, and businesses;

(5) The methods the applicant proposes to use to select project participants, if applicable, will ensure that project participants who are otherwise eligible to participate are selected without regard to race, color, national origin, gender, age, or disability.

(d) *Evaluation plan.* (10 points) The Secretary reviews each application to determine the quality of the evaluation plan for the project, including the extent to which the plan includes specific procedures for—

(1) A formative evaluation to help assess and improve the accuracy of standards for competencies; and

(2) A summative evaluation conducted by an independent evaluator.

(e) *Key personnel.* (10 points) (1) The Secretary reviews each application to determine the extent of the applicant's experience in fields related to the objectives of the project.

(2) The Secretary reviews each application to determine the quality of key personnel the applicant plans to use including—

(i) The qualifications, in relation to project requirements, of the project director, if one is to be used;

(ii) The qualifications, in relation to project requirements, of each of the other key personnel to be used in the project;

(iii) The appropriateness of the time that each person referred to in paragraphs (e)(2) (i) and (ii) of this section will commit to the project; and

(iv) The experience and training of the project director and key personnel in project management.

(f) *Budget and cost effectiveness.* (10 points) The Secretary reviews each application to determine the extent to which—

(1) The budget is adequate to support the project; and

(2) Costs are reasonable in relation to the objectives of the project.

(g) *Dissemination plan.* (10 points) The Secretary reviews each application to determine the quality of the dissemination plan for the project, including—

(1) A clear description of the dissemination procedures;

(2) A description of the types of materials the applicant plans to make available;

(3) Provisions for publicizing the proposed national standards for competencies in industries and trades; and

(4) Provisions for encouraging the adoption and use of the proposed standards by education and training programs.
